

Power30 Tournament Information:

Team Registration Information: Each team must check-in at the ProSwings tent one hour prior to their first scheduled game time. During the registration process, all coaches must hand us; ProSwings player waivers, team waiver & up to date copy of your proof of team insurance. All players and coaches will receive a ProSwings wristband once the below items are turned in to our designated staff members. No players or coaches will be allowed on the field or in the dugouts without a ProSwings wristband. **Must be visible on your wrist at all times!**

- 1.) Signed ProSwings Waiver for each player named on roster
- 2.) Signed TEAM ProSwings Waiver (Signatures from all parents/guardians required)
- 3.) Copy of Team Insurance Certificate

Gate Check In: There will be staff members at each gate taking temperature checks and completing screening questions each day per the County request. Anyone with a temperature of 100.4 or above will not be allowed to enter the park. Once you are screened, you will be given a paper wristband and given access to the parks free of charge. **Must be visible on your wrist at all times!**

Rules/Format: We will be using USA rules with some Showcase exceptions. 15 minutes prior to game time, there will be a plate meeting in which both coaches turn in a line-up. Players are not permitted to play on two teams or listed on two different rosters. You can bat your entire roster and make free defensive substitutions during pool play. Managers and umpires must keep the integrity of the game by ensuring the batting order remains consistent to the line up card and substitution is not excessive to gain a competitive advantage. Substitutions should be specific due to college coach's request per showcase guidelines.

POOL PLAY GAMES: Game times are 1:40 finish the inning or 7 full innings; whichever comes first. Should the game go past 1:40, we will finish the batter at 1:50 and revert back to score of the previous inning (should a full inning not be completed). No time-outs are allowed in the last five (5) minutes of the game. Games tied at the expiration of the allowed time, will end in a tie. It is important that the tournament stay on time for the benefit of the collegiate coaches who need to know where the players they want to see are.

Note: Should you bat all players and an injury/ejection occurs where the player leaves the game, that player is an automatic out when the player assumes her upcoming offensive at bat. Home team is decided by a coin toss. There must be a number on the back of every jersey. If you have a guest player, they can wear their team's jersey as long as it is numbered. Courtesy runners can be any rostered player. Catchers warming up the pitchers must wear a catcher's mask. This is a non-protestable Showcase. Arguments with the umpiring staff will not be tolerated. Should this happen, your team is subject to ejection and all remaining games will be forfeited. Note: This is a college showcase; coaches are there to watch the players! Misconduct will not be tolerated from coaches, players or fans – this will be strictly enforced. Should this happen, the individual and team are subject to ejection.

This tournament is a five (5) game guarantee. Pool champions will be determined by; win loss record, head to head, runs given up, runs scored, and coin flip (in that order).

Run rules: (12) after 3 innings, (10) after 4 innings, (8) after 5 innings. Pitching will be Start Back per NCAA ruling.

Injuries: Athletic trainers will be on site to address issues accordingly.

Wristbands: If you do not have a ProSwings wristband on your **wrist**, you will not be allowed in the park.

All information above is subject to change at any given time should the tournament directors deem it necessary**
